I've always
wondered what you
were thinking since
you hardly ever talk.
I think you think nice
things because every once

a nice smile, you should use

Our Renewed Campus

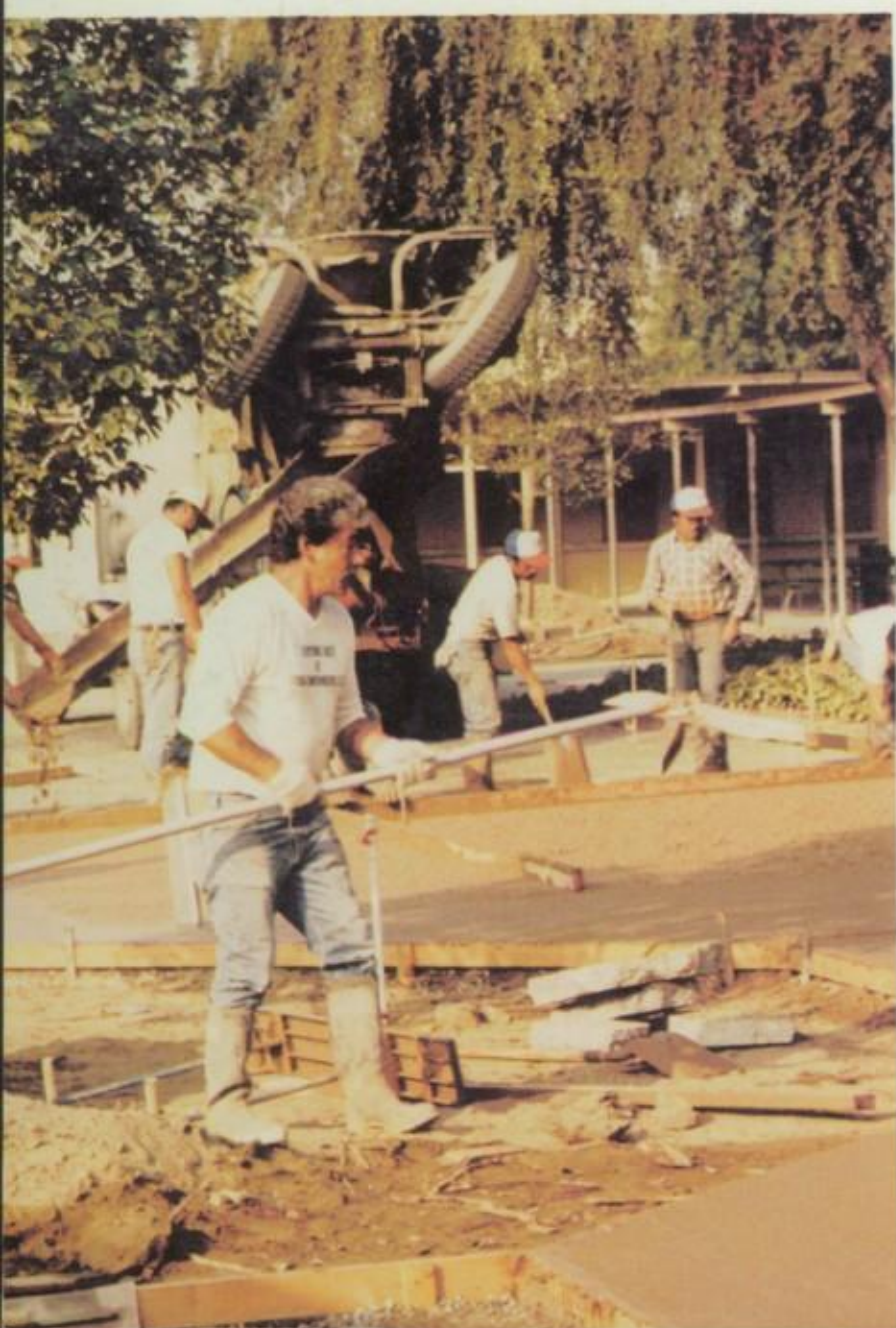

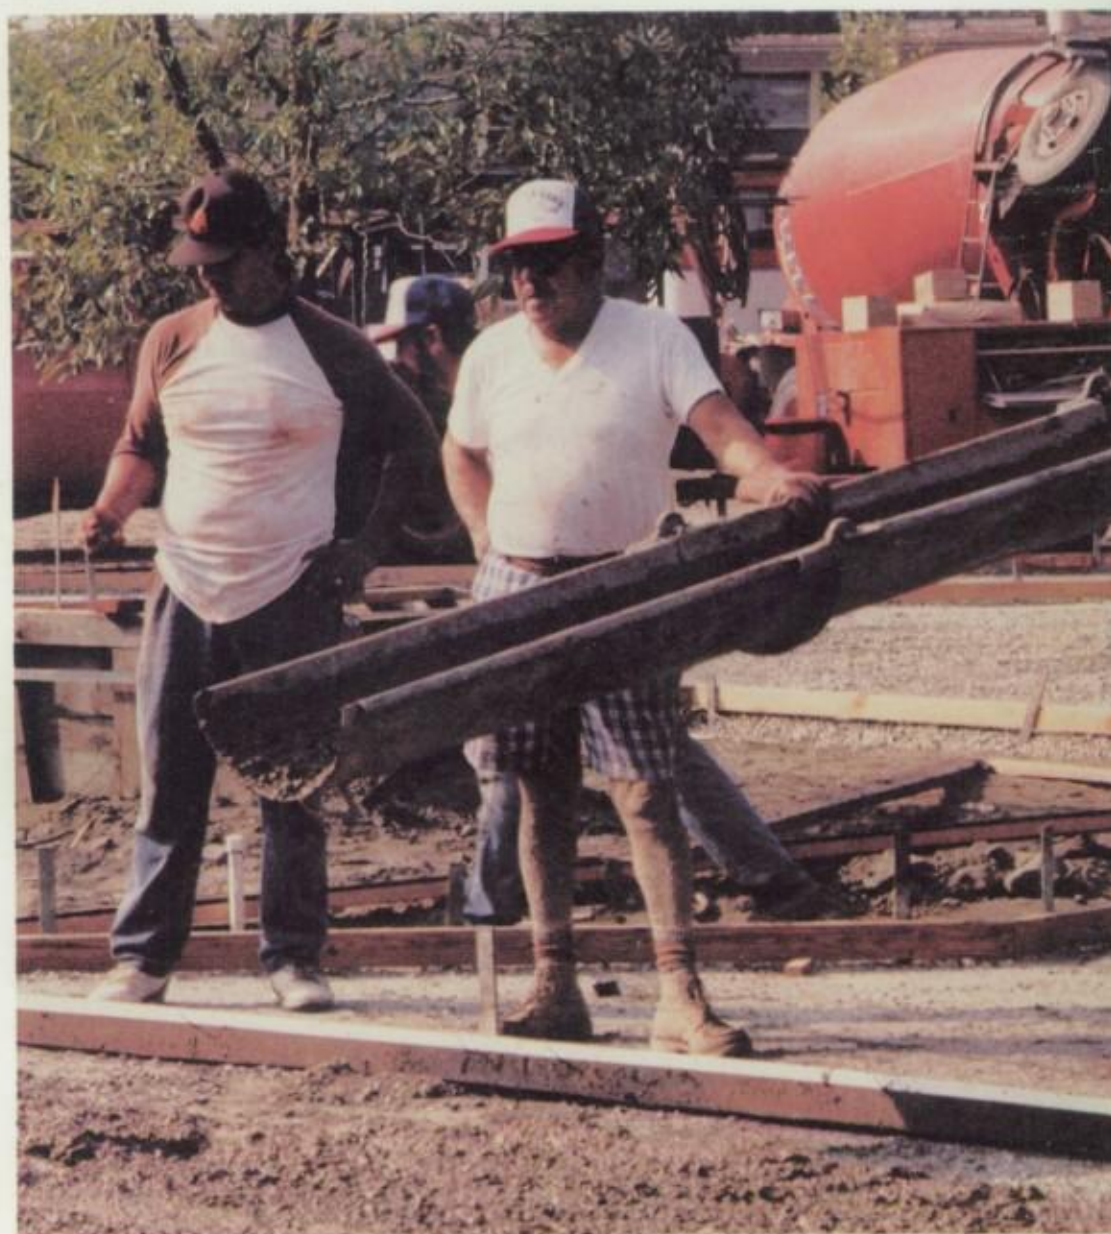

Pioneer has undergone many changes during its long existence; but none like this past year! We have new teachers, new coaches, and of course our new Principal, Mrs. Anaya. One change that students used as a tardy excuse was the campus construction.

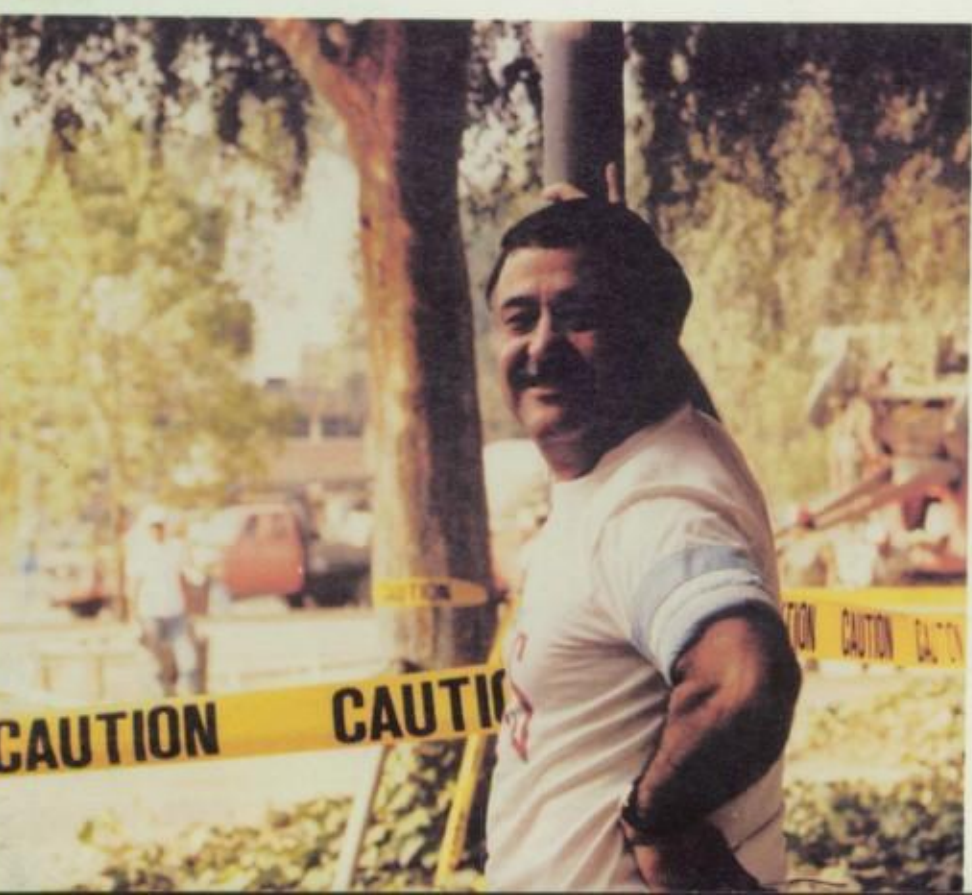

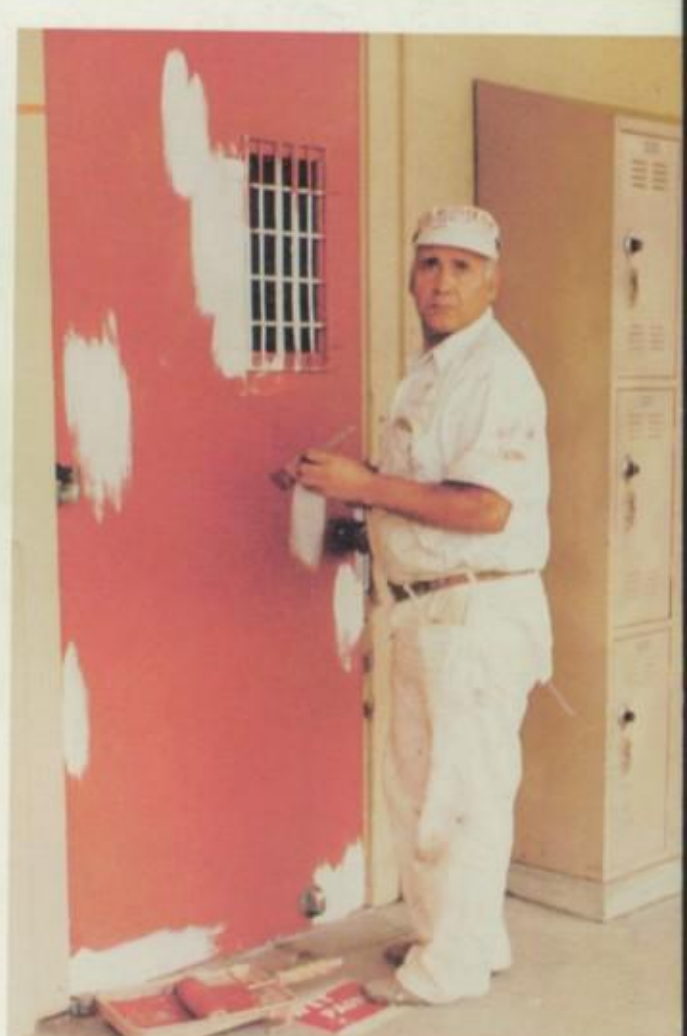

The main reason for the re-construction of our campus was that tree roots uplifted the asphalt pavement, causing a dangerous safety hazard. We now have 245 cubic yards of concrete integrally colored desert tan and adobe red and also our school crest; green and black. A thousand sprinkler lines, eleven new trees, and three hundred plants supply just the right touch to make our campus complete.

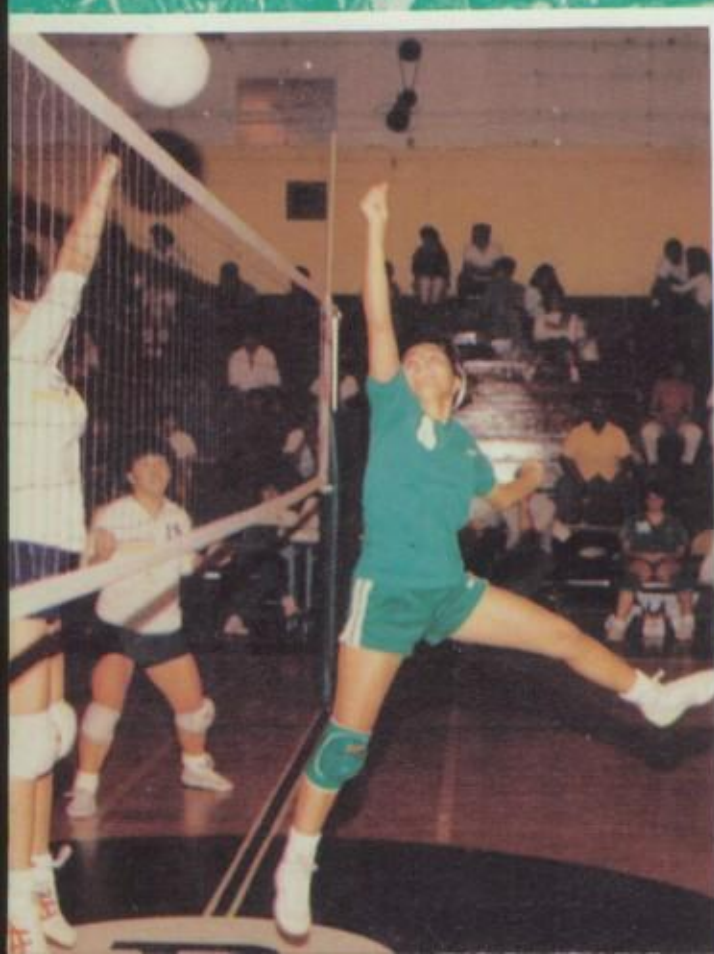

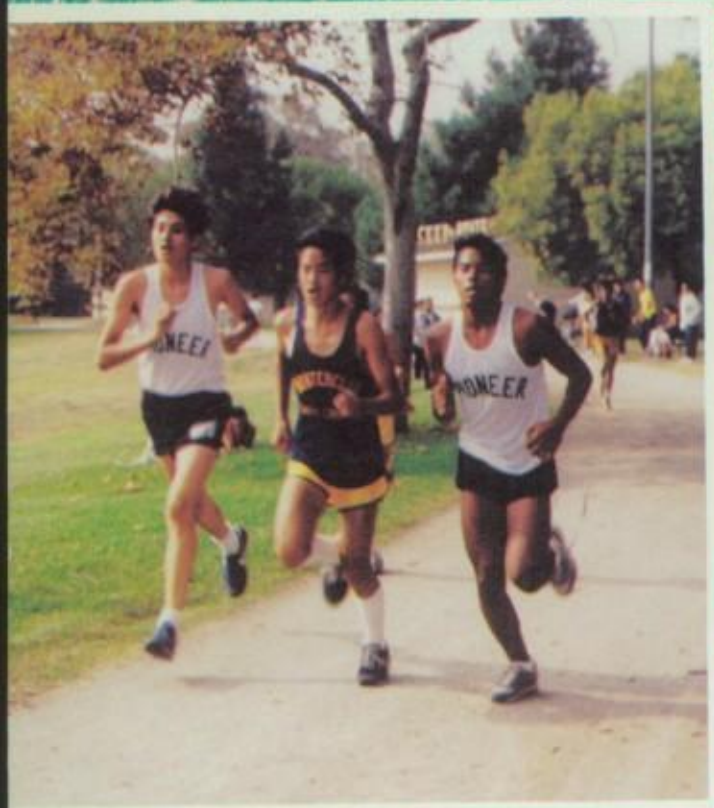

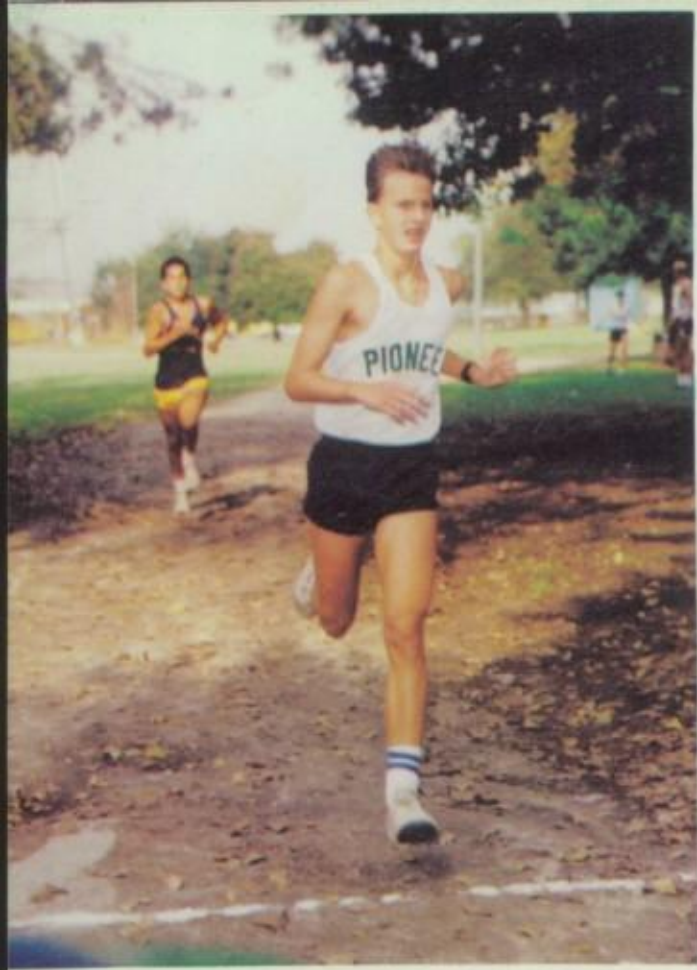

Mr. Torres spent many hours hovering over the project as it progressed from a dusty torn up yard to an efficient colorful Quad. He worked closely with the building contractor, Mr. Zapata.

Construction began July 30, 1986 and was completed and dedicated on January 23, 1986. The final cost of our beautiful campus was a whopping \$210,000.

Special thanks to the District's Board of Trustees, architect: John L. Tegtmeyer, landscape architect: Peters & Thomas Eriksson, contractors: Universal Asphalt Co., Inc., landscaping: Barrios Associates for making this possible.

THE DREAM BECOMES A REALITY

Many Pioneer students have traveled to visit our Japanese sister school, Yamana-shi Gakuin High School, as part of International Club opportunities. Last summer our students combined with travelers from Whittier High to enjoy this never to be forgotten adventure.

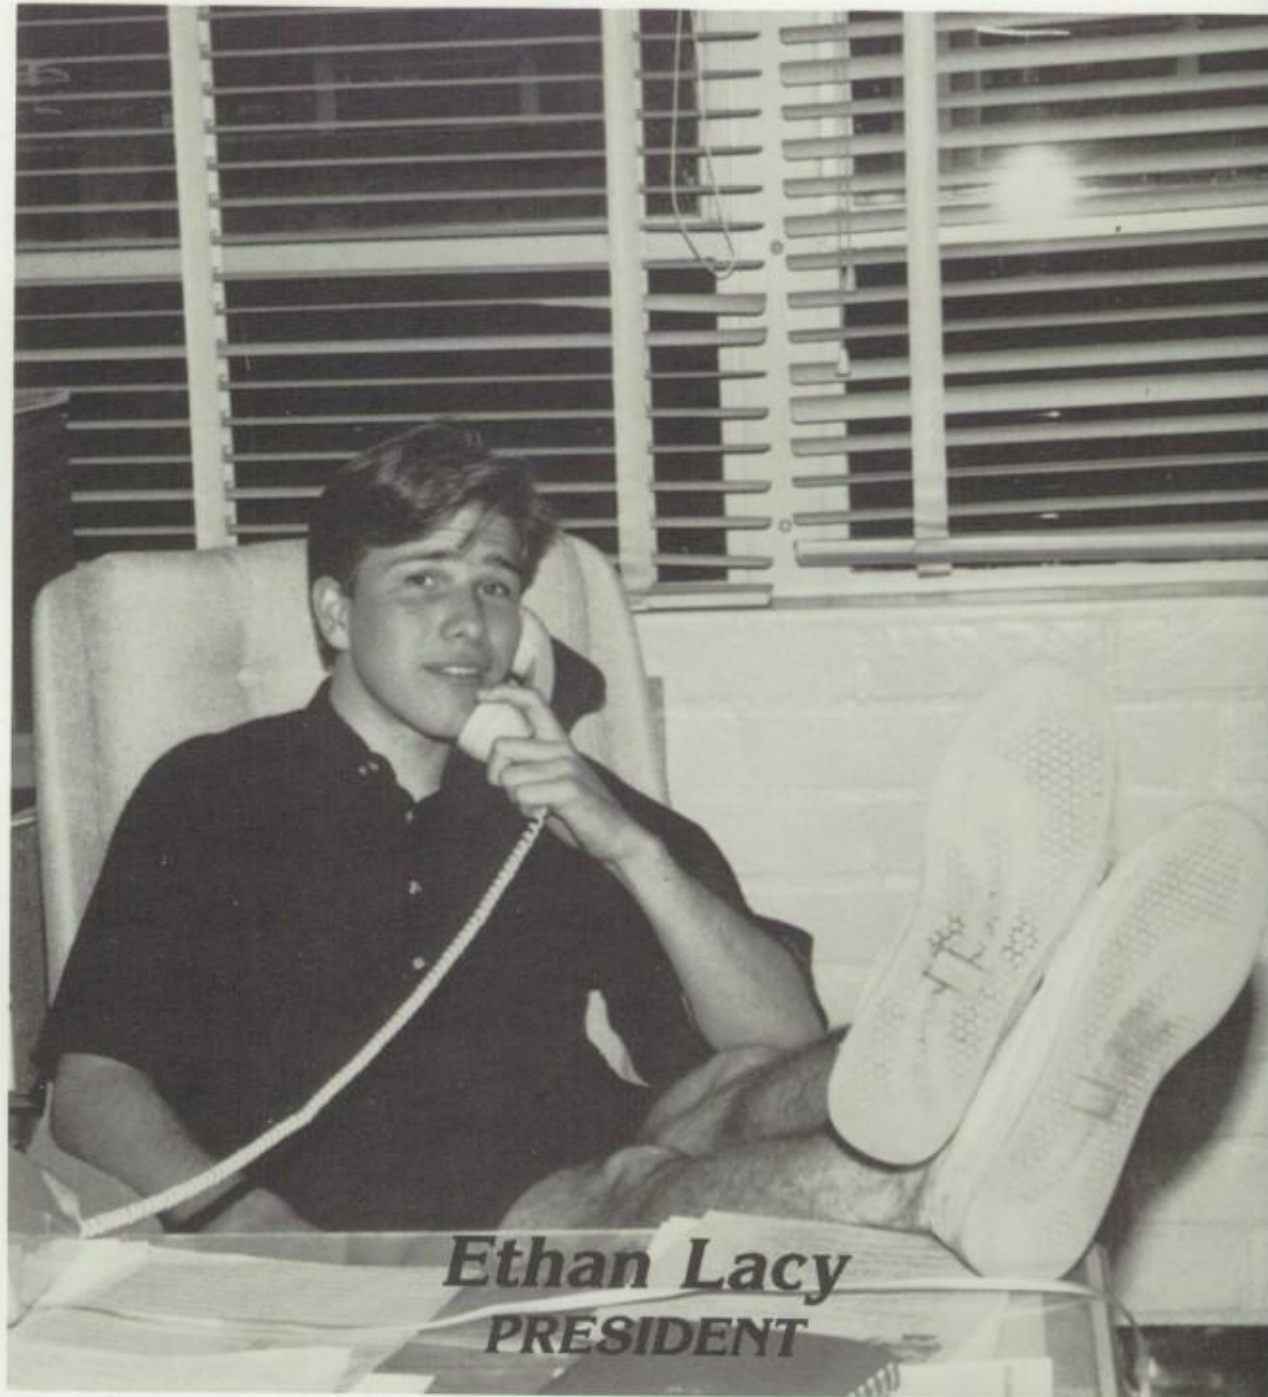

Mr. John Humphreys, formerly of Pioneer, now at Whittier High, was the group Chaperone. He was assisted by Mrs. Rose Montijo, Pioneer grad parent.

1st row: 3rd from left; Mr. Humphreys next to him the founder of the school; Mr. Furuya, 6th from left Mrs. Montijo. 2nd row: 5th from the left; Mr. Okuda, visitor to Pioneer last year, 6th; Mr. Ayally, chaperone to Pioneer. 3rd row: 3rd person; Beckie Romero. Back row: 2nd person; Jim Martin, Dean Vasquez, Art Vasques and John Bird.

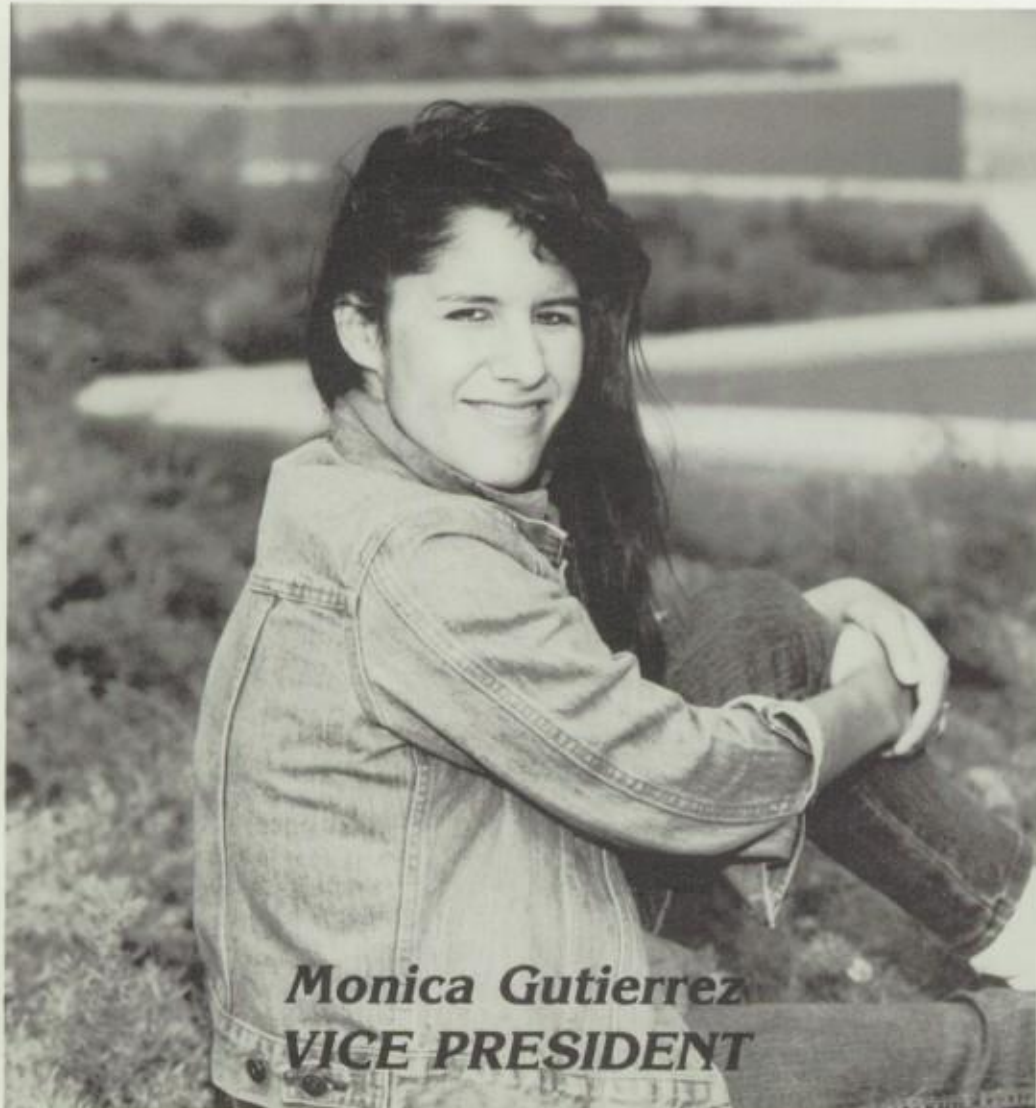

1986-87 ASB

High school for many is the last place of development. In our four years here we have laughed and we have cried: we will see new friends come out of the horizon while we watch old ones disappear into the sunset. This year we saw many changes. From the first day; with dust on our feet and a quad in construction, to new trees, grass, and finally a new quad. Every year we pick up where others left off to continue our greatness. Whether you're a Soche, a Cha-cha, or a Jock, in the end you are a Titan: and when the growth is over we have graduation ... and reality.

The dedication of the 1987 Torch honors an outstanding teacher, Delcia "Boots" Phillips, sometimes called by her students "Ms. Phil". A native of Arizona, she met her husband, Jim, while both were attending Arizona State earning their Bachelor of Arts degrees.

Her husband is proud of the fact that while she attended college full-time, she also worked full-time, first at a photo studio and then a newspaper.

After earning her Master of Fine Arts degree, she moved to California where she taught at San Gabriel Christian School for several years. She has five children — Brownell, Sean, Sunny, Paul, and Wyndy. The youngest is now completing her college education.

Mrs. Phillips came to Pioneer in 1967. During her nineteen years here at PiHi, she has never missed a day of school. She has taught Art 1,3,4, English, and Annual Staff.

Mrs. Phillips ...

For the last fifteen years, under her guidance, the annual staff students have captured in words and pictures Titan friends, activities and memories.

She is frequently ready with her camera to take candid shots for the yearbook. Her creativity also extends to the festive theme decorations of the Senior Mothers (Parents) Tea.

Almost every Saturday you'll find her in her room bright and early, as if it were a regular school day. She is there usually working on another deadline. On the first Sunday of each month, she can frequently be found at the Pasadena City College Swap Meet, where she searches for treasures.

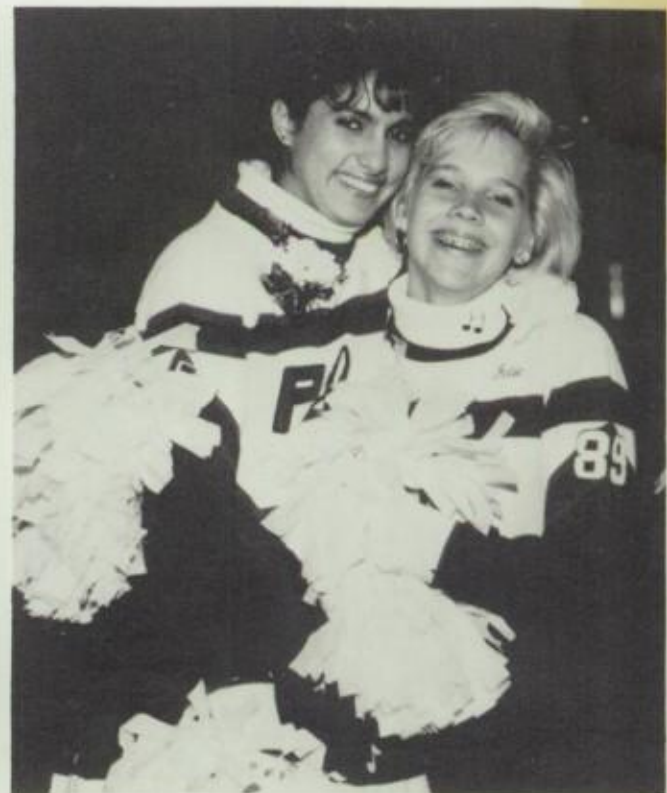

For her Pioneer spirit, her artistic talents, and her years of loyal dedication, the 1987 Torch is dedicated to — Mrs. Delcia Phillips.

GIRLS' LEAGUE PREMIERE HARBOR CRUISE

FIRST ANNUAL BANQUET

The first annual Father and Son Banquet was held on March 26 in Pioneer's own cafeteria. The night was full of satisfaction, laughter, joy, and memories. First dinner was served, setting the mood for the entertainment to come. The introduction of drama seemed to have broken the anxiety that had built up. The next half hour was full of laughter. Proceeding drama were the Titan Tones. They sang songs of the past which the audience became so involved in that they began to clap along with the Titan Tones, giving them the positive response they needed to perform as well as they did. Following the Titan Tones was a wave of appreciation with a touch of stirred memories. Dr. Anthony Lopez the guest speaker gave a magnificent speech. He touched on subjects such as the growing up of boys and the changes that a father must undergo while his boy is becoming a man. To give the night the final touch needed was a father-son look-a-like contest. The winners were: Mr. Bustamante and his son, Ricardo Bustamante.

The Great Smoke Out!!!

Beginning January 1, Pioneer enforced the new state law which bans smoking in public high schools. Students will not be allowed to possess tobacco products at school or school-sponsored activities.

In order to initiate the new law, Pioneer held a Great Smoke Out Day which was a day designated to encourage all students to refrain from smoking. Ms. Narkiewicz's art classes put a lot of time and effort into the Smoke Out posters which were displayed in various areas around the school campus to promote Smoke Out Day.

The Smoke Out was a success and students don't seem to have a problem with following the new smoking policy.

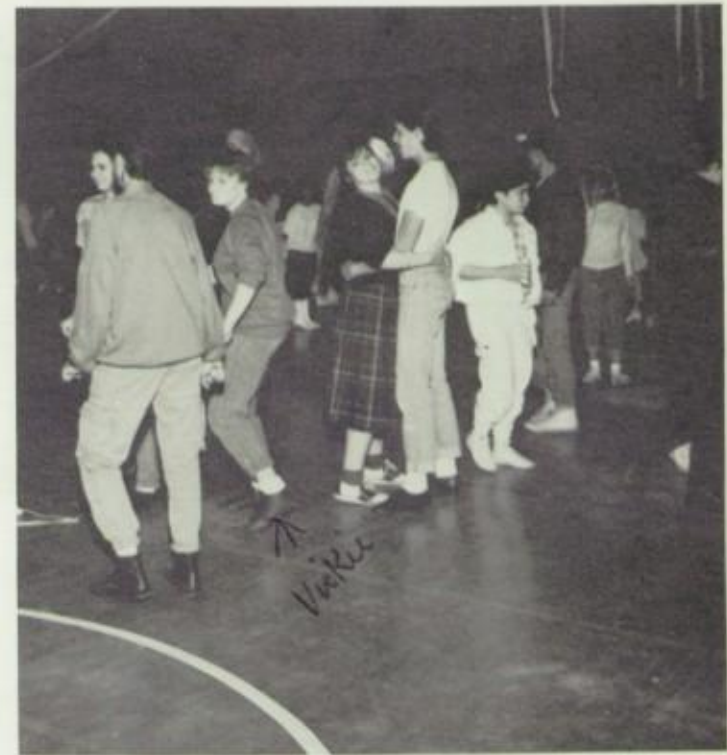

SADIES SOCK-HOP

Sadies Sock-Hop was held on Friday, March 6th. This year the dance was sponsored by the A.S.B. Cabinet. Music was provided by Fantazio, which gave the dance the right touch of the 50's theme. Close to 400 people attended. Overall the dance was a success!

Positive! That is the word for our outstanding Girls Council members! Emphasis is placed on developing self-motivation and non-verbal communication skills. Their community involvement at Christmas time proved to be both fun and successful. Santa, who looked just a bit like Mrs. Cuevas escorted the girls dressed in festive red and white to three nearby convalescent homes. There the girls provided song and cheer for the delighted hospital bound senior citizens.

Car washes and other events filled many hours and produced funds for club activities.

The Academic Decathlon, like its ancient Greek counterpart, is a 10-event contest. High school juniors and seniors compete as individuals and team members in a series of ten academic tests and demonstrations. This year, these events including economics, English and Literature, fine arts, mathematics, physical and biological sciences, social sciences, essay, speech, interview, and the grand finale — the Super Quiz. This year's theme was centered on the Constitution.

Preparation for next year's team should begin this summer. We hope that even more enthusiasm and participation can be generated for this event.

FALL PLAY

"A FAR COUNTRY", was the title of this year's fall play. The play was about the founding father of Psychiatry, Sigmund Freud. It was based on the facts and events of his life.

This play documented Freud's first break-through of Hysterical Paralysis, and the acceptance of Psychiatry as a science by the medical profession. The cast was comprised of Advanced and Drama Workshop students.

The title role was played by David Glasier. His wife was Laurie Helman. The patient was Dawn Petty. The role of Fredrick featured Rudy Marquez. Dr. Breur was portrayed by Steve Adyani. Amalie Freud was Judy Jaramillo. Dolfi was Alma Ramos. Other minor characters were played by

Becky Romero, Tony Perez, and Dion Verdugo.

Along with the fall play, Mrs. Lawrence's Drama Department put on improvisation night performances for Beginning and Advanced Drama students. The Drama Department was also involved in the entertainment for Daddy-Daughter Dessert. Drama Department works with Miss Littlefield in putting on Titanette Review. The Thespians provided skits or commercials. Before the end of school, drama provided a Spring Play.

Music Makers

After many successful years under the leadership of department chairman, Mr. Ken Orr, who retired last June, Pioneer has a new music director; Ms. Diane Carey.

She is quoted as saying, "The students here are enthusiastic and Pioneer is a very good school."

The Titan Tones performed numerous times for the pleasure of both students and parents. We remember them for all the beautiful Christmas solos as well as the performance at the Mother Daughter Dessert.

Titan Band

This year our band went to three major competitions under the new director, Mr. Burdeaux. They did exceptionally well at Band Jamboree. The other competitions that they participated in were at Cal Poly Pomona and Los Altos. The Band placed third in each of these competitions. They had many fund raisers such as a candy sale, and they organized Pioneer's first swap meet. The money earned by the fund raisers was requited to the school for new instruments and part was set aside for the purchase of more. Although Mr. Burdeaux is used to a larger group of kids he feels they work hard to make the program better and because of their efforts it is rapidly improving.

Questions And Answers With Our Principal . . .

Q: How do you feel about Pioneer students as a whole? Are they more vocal than the students of your generation?

A: Students today are more aware. The media has had significant impact in conveying information. More students know about international affairs and other cultures. At Pioneer, our students are exceptional in this area. They constantly demonstrate their concern for people of all backgrounds. Our International Week is one major event that acknowledges the variety of cultures that make up the Pioneer family.

Q: Are they more controversial than the students of the 60's and 70's?

A: I feel that the students of today are more conservative in some ways. They have returned to traditional events like proms and football games. They also place a value on family activities such as the Mother-Daughter Tea and the Father-Son Dinner. The students of the 60's were protesting and staging sit-ins for a variety of causes while today, students are more involved in school and its events. This involvement gives them a sense of pride in themselves and their school.

Q: Do you feel that all of these activities take away from the stress of this fast-paced world we live in?

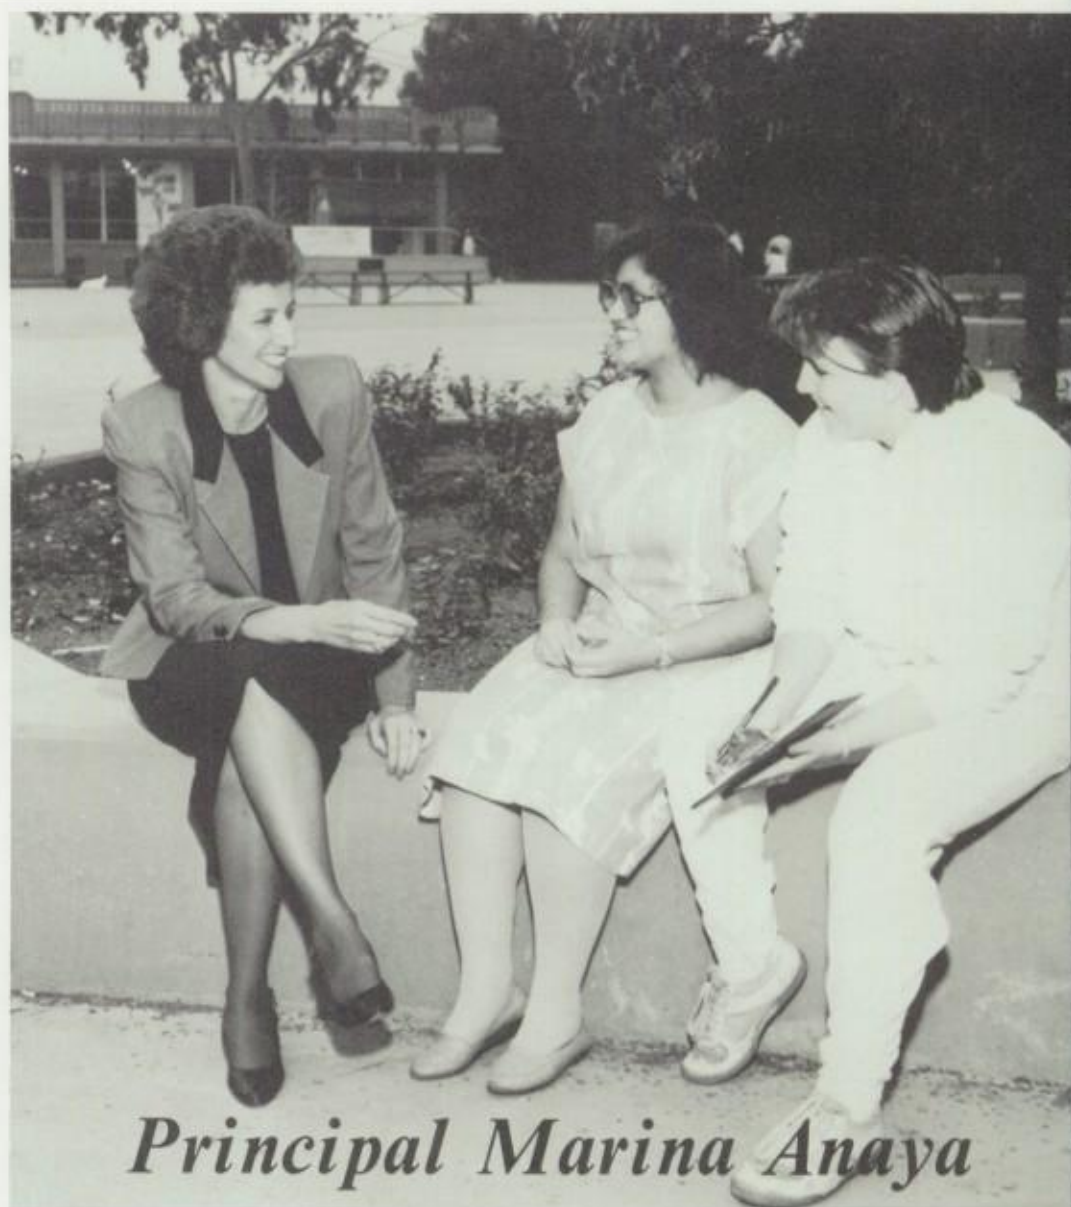

A: For some students, their involvement adds to the stress they experience. Yet at the same time, these students feel good about themselves and their accomplishments. They learn to manage the stress so that it does not become distress.

Q: How do you feel about the faculty?

A: I feel very positive about our faculty. They really seem to enjoy their work. They have a good relationship with the students that goes beyond the basic one of student-teacher. They care about the person. It's a person-to-person relationship.

Q: Do you feel that as a school we lack in school spirit?

A: Pioneer has a lot of school spirit — a **tremendous** amount of school spirit!!!

Rededication of Pioneer Campus Sets Stage for a New Beginning

The rededication of the all-new Pioneer Quad by the board members was the highlight of this school year. Our District Administration also endeavored to implement a curriculum that would ensure comprehensive student educational opportunities. Building self-esteem and effectiveness of students was also another prime goal. Much headway was made in the area of providing clean classrooms and grounds.

Howard Sterns

NEW CHALLENGES

The integrity of our school is developed and maintained by the caring ministration of our leaders. We appreciate the values for education they instill in us during our four years at Pioneer.

Our students depend upon the guidance and support to be found in the Pioneer Counseling staff. Personal as well as academic problems are solved.

ONCOMING THE CLASS OF '89

A NOTE FROM THE CLASS PRESIDENT

As president this past year I learned many things. I feel however that leadership was the most valuable because by leading and encouraging my council we achieved many things. Also we earned money for the class fund. Finally I would like to thank my council and my advisers. I would also like to encourage other people to run for office in the future.

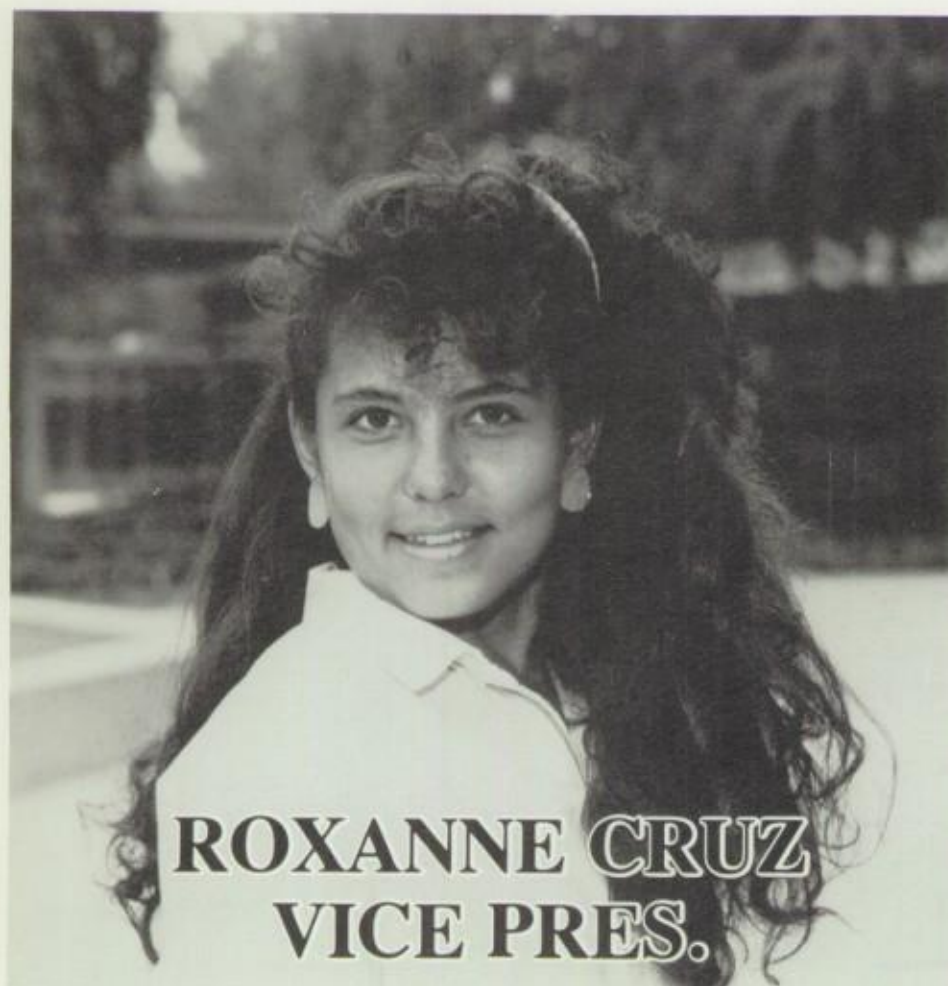

Thank you,
Jason Gutierrez

PiHi Visitors

Throughout the year students from the International Club planned on the arrival of the Japanese exchange students on March 15. The Japanese students competed in order to be selected to come to the U.S. The 12 girls and 1 boy are from Yamanashi Gakuin (high school) in the city of Kofu.

Being hosted by a student from Pioneer they're able to experience the everyday life of a typical high school student. These students visited various places such as Disneyland, Knotts Berry Farm, Universal Studios, Solid Gold, and a Lakers game.

A WARM WELCOME

Congressman Torres Speaks

On March 16th, the honorable Esteban Torres visited Pioneer High School. Mr. Torres is the congressman for the 34th district. He came to Pioneer to greet the Japanese students and also to talk to interested Titans. His stay here was very short, but that didn't prevent him from presenting himself in a magnificent way. Mr. Torres answered questions that the students presented. While speaking, he demonstrated a fine sense of humor. Congressman Torres' closing words were "Don't forget, to vote for me!"

Escapades In Memories

Senior Farewell

Your time, my time, our time. Where did all those years go to?? It seemed like only yesterday we first set foot on campus and for some of us, it was yesterday. But where did it all go? It's June now and it's time to move on again, to start another New Beginning. Graduation. Are we ready?? Is this actually the beginning of tomorrow??

It seems strange being a Senior, when only four short years ago we were Freshmen. Worried about where our classes were even after the first week of school was already behind us. Worried about making a good impression on people and often looking like a typical Freshman!!! Gosh, how many times did we trip and hope nobody saw, so we could recover and look like we meant to do our two-step intentionally? With the hussle of our Social lives and getting so wrapped-up that we walked into the wrong class or cried all through Math. Our time here was special even though we all don't really think of homework, teachers, and gym as special; but it was.

All the hard times, the laughter, and the tears that has been imprinted into our history here at Pioneer is special for this is it, the end of High School and into our New Beginning.

Remember When ...

Freshman Year. Scared to attend PiHi. President Reagan visited. Video craze was "in" and preppy clothes with top siders. Michael Jackson was the big hit with his dance music while everyone was breaking to "Flashdance" moves. Big Brother was watching — George Orwell, 1984.

Sophomore Year: The start of different styles such as bleaching hair to every color of the rainbow and piercing ears up to the cartilage and fluorescents were the "in colors" for clothing. In Living Skills there were little baby eggs to carry and everyone "phoned home" with E.T. Rev. Jesse Jackson ran for president.

Junior Year: Pompadour for the guys and frosted strands for the gals were the hairstyles. Tight "stirrups" and denim mini-skirts made a fashion statement. Party flyers constantly passed out and were banned. Tragedy struck when the space shuttle "Challenger" claimed the lives of seven brave souls. Peace March started and Mr. Eicholtz left.

Senior Year: The look was western — "fringes" were in shirts, skirts, and boots. While some cruised in Nissans with loud speakers playing, banana clips in their hair and carrying over-sized purses, some stayed home to watch the number one sitcom "The Cosby Show" or out to the movie theater watching "Nightmare On Elm St." New quad was constructed and smoking was banned. Everyone had a stupid yellow sign in their cars. The saying everyone used was "ANY-WAYS". The English Ferry tipped over near the coast of Belgium and took many lives. Mrs. Anaya became our new Principal!
